

Crimson Trace® Brushline™ Pro 4-16x50 Scope Wins Golden Bullseye Award

January 14, 2022

Crimson Trace® is proud to announce the new Brushline™ Pro 4-16x50mm scope has earned the NRAs American Rifleman Golden Bullseye Award for Optic of the Year 2022.

Now in their 20th year, the NRA Publications' Golden Bullseye Awards acknowledge the finest products available in the shooting sports industry. The winners are selected by a committee of NRA Publications staff, representing more than a century of collective experience in the shooting and hunting industry.

As part of more than 50 new scopes in the new Hardline™ and Brushline™, the Brushline™ Pro 4-16x50mm scope boasts best-in-class features found in all Crimson Trace® optics, including ELD Glass, zero-reset turrets, aerospacegrade aluminum construction, and complete Lifetime Warranty. The Brushline™ Pro 4-16x50mm also features a 30mm maintube, parallax adjustment, proprietary MOC coatings for superior light transmission and clarity, and Crimson Trace's custom diamond-pattern BDC reticle.

The Brushline™ Pro 4-16x50mm scope, along with all Crimson Trace® optics, is currently in stock with dealers, distributors, and online retailers across the country. To learn more about Crimson Trace's new line of optics, visit crimsontrace.com
