

American Outdoor Brands Files Complaint Alleging Patent Infringement by Vista Outdoor Inc.

June 7, 2023

COLUMBIA, Mo., June 7, 2023 /PRNewswire/ -- **American Outdoor Brands, Inc.** (NASDAQ Global Select: AOUT), an industry leading provider of products and accessories for outdoor enthusiasts, on May 30, 2023, filed a complaint against Vista Outdoor Brands ("Vista") alleging that Vista is infringing American Outdoor Brands' patent rights incorporated in the Frankford Arsenal® Intellidropper® electronic powder measure through Vista's sale of the RCBS ChargeMaster Supreme Electronic Powder Dispenser. The complaint asserts infringement of five of American Outdoor Brands' patents, was filed in Missouri federal court, and seeks injunctive relief and monetary damages.

Brian Murphy, President and CEO of American Outdoor Brands, said, "Over the years, we have developed innovative, proprietary technologies that are embodied in our Intellidropper® electronic powder measure. As a result, the performance and features of the Intellidropper® reflect our reputation for excellence, innovation, and safety. Protecting these features, and all our vital intellectual property, is imperative to our success and to ensuring our customers can be confident that when they purchase our brands, they are buying genuine American Outdoor Brands products. We intend to monitor the marketplace and take rigorous steps to defend our intellectual property where necessary."

Vista began selling its RCBS ChargeMaster Supreme Electronic Powder Dispenser without the permission or authorization of American Outdoor Brands. American Outdoor Brands developed innovative technology incorporated in its Intellidropper® electronic powder measure covered by several patents, including U.S. Patent Nos. 11,118,884, 11,473,890, 11,486,684, 11,486,685, and 11,506,472. American Outdoor Brands is seeking an order that requires Vista to withdraw infringing products from the market, compensates American Outdoor Brands, Inc. for past infringement, finds Vista's infringement to be willful, and awards American Outdoor Brands treble damages and its attorneys' fees from Vista.

Statement Regarding Forward-Looking Information

The statements contained in this release that are not historical are forward-looking statements within the meaning of the U.S. federal securities laws and we intend that such forward-looking statements be subject to the safe harbor created thereby. Statements that are not historical facts, including statements about anticipated financial outcomes and expenditures as well as other statements about our expectations, beliefs, intentions, or strategies regarding the future, or other characterizations of future events or circumstances, are forward-looking statements. These statements relate to future events and our future results and involve a number of risks and uncertainties. Actual results, performance or achievement could differ materially from those contained in these forward-looking statements. The risks and uncertainties to which forward-looking statements are subject include, without limitation, changes in price and volume and the volatility of our common stock, unexpected or otherwise unplanned or alternative requirements with respect to the capital investments of the Company, changes in general economic, business and political conditions, and other risks detailed in the "Statement Regarding Forward-Looking Information," "Risk Factors" and other sections of the Company's Annual Report on Form 10-K and other filings with the Securities and Exchange Commission. Except as required by applicable law or regulation, we disclaim any obligation and do not intend to publicly update or review any of our forward-looking statements, whether as a result of new information, future events or otherwise.
