**Explanation of Responses:**

- One-quarter of the restricted stock units shall vest and be delivered, net of tax withholding, on each of the first, second, third, and fourth anniversaries of the date of grant.
- Represents shares of common stock withheld by the Issuer to satisfy certain tax withholding obligations associated with the vesting of restricted stock units.
- Each performance right represents a contingent right to receive one share of the Issuer's common stock. The performance rights vest based on stock performance over a three-year performance period. The number represents the maximum number of shares that may be delivered pursuant to the award, which is two times the target number of shares.
